EXPLANATION OF CONTRIBUTIONS & CHARGES	PAYMENT SCHEDULE What do I pay and when?
VOLUNTARY CONTRIBUTIONS - \$50 The financial support provided by parents/guardians plays a significant role in providing resources that add value to the learning experiences of students. Voluntary contributions are important to the school and help to provide curriculum resources and programs including Mathletics and Reading Eggs, and resources for individual learning areas, library and Physical Education. The Voluntary Contributions and the P&C Voluntary Contributions can be paid on the Personal Items list if ordering through Campion, or directly to the school by EFTPOS or Cash. Other payment options are Qkr! (Preferred method) and Direct Debit (see back page). Voluntary Contributions paid in full by the end of Week 8, Term 1 2026, are entered into an “Early Bird” \$100.00 gift card prize draw conducted by the P&C.	Can be paid prior to the commencement or at the start of the new year, also at the start of the new year in instalments: Term 1 - \$20 Term 2 - \$10 Term 3 - \$10 Term 4 - \$10
P&C VOLUNTARY CONTRIBUTION (per Family) While contributions are voluntary, this contribution will assist the P&C to fund additional items/projects for the school to maximise opportunities/programs/ resources for students.	Can be paid at anytime throughout the year (2026).
CHARGES (see previous page) The term “charges” refers to the cost of optional activities that are part of an education program not covered by contributions. Students will only incur these costs if they are involved in a particular activity. Estimated costs provided are at an upper limit and will not exceed this amount. Please note that if an activity does not occur within the school year, no charge will apply.	Payment for Charges will be requested by the school throughout the year as required and if applicable to your child. These charges must be made and finalised prior to the event taking place for your child to attend.

The office staff will be on-site from: Wednesday, 26th January 2026 to receipt Voluntary Contributions.

Instalments are available for all School Contributions/Charges and may be paid to suit your financial situation, please see the office for a payment plan form. Other charges (excursions, incursions, swimming etc.) can be paid in instalments but must be organised ahead of the event and finalised prior to the event taking place. Families experiencing difficulties in making payments are welcome to discuss (confidentially) other options with Dana Marshall - Manager Corporate Services.
